

Unbeknownst to most, some of our local children are going home after their school week without enough food to sustain them for the weekend. The middle school principal at Frazier began receiving requests from kids that are going without. From that, the Caring Commodores was born and is working solely on donations. However, there is a greater need than what can currently be covered. We are asking local businesses, like you, to help us with the effort and support the first annual **Chow Challenge**, a 5K obstacle course run set for **August 17, 2019** at Sampey Park in Perryopolis to directly benefit the Caring Commodores.

Below is a list of the sponsorship packages currently available. Additionally, there will be food, entertainment, and social media centered around the event. This event will create a large draw in the surrounding areas and your business will benefit from significant exposure.
